AE TRYOUTS:

AE teams are contingent on there being adequate numbers of players at Try Outs to both Minor and Major A teams, in each division and will be at the BWGMHA discretion.

- ✚ Players must provide a release notice to the AE team indicating release by the “A” team . These notices must be signed and dated by the Head Coach and given to the player.

- ✚ Failure to provide a release to the “A” team will forfeit the player’s right to continue to tryout and the player will be placed in the house league program.

Definitions:

First Teams: “A”

BWGMHA First Teams are defined, as the most competitive teams in our Association, and as such the best players available must play for the first teams in each category.

Second Teams: “AE”

BWGMHA Second Teams are defined as development teams, to enable our Association to develop players for our First Teams.

These Teams are made up of players who:

- Want to play Representative Hockey and Strive to get to the “A” level.
- That attend “A” try-outs and are released.

*Development of players is the **prime function** of our second teams, and these teams must provide players through affiliation to our First Teams.*
